Thank You!

In 2014 Duneland Pizza is celebrating its 42nd year of being your locally-owned "hometown" pizzeria and we owe it all to you and your continued support. I, my family, and my many employees over those years thank you.

Although our menu offers sandwiches, salads, and appetizers, our primary focus is our pizzas! Our original thin crust remains our standard crust, but for those of you who prefer one of our hand-rolled crusts, they are also available rolled thicker or thinner at your request. Please take a moment and read the descriptions of our available hand-rolled pizza dough selections. Also, please don't hesitate to tell us if you like your pizzas cooked a certain way - crispy, browned cheese, well-done, etc.

Our casual dining room is decorated with large framed photos of the Indiana Dunes and Lake Michigan as well as driftwood and stones that were collected along the local beaches. In the summer you can also dine outdoors on our deck under a canopy of tree branches and leaves.

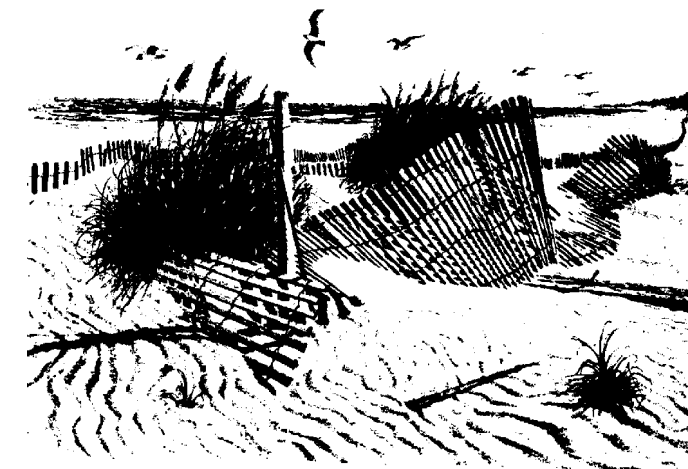

Over the 42 years we've been open, our commitment to quality has never changed. We continually strive to provide you with the best products we can and prompt & friendly service.

For those of you that enjoy using Facebook, please take a moment to check out our Facebook page and "like" it. You will then be kept "up-to-date" on all of our latest news, photo albums of our past, and contests to win pizzas.

Thanks again.
